### What is Ent-Ex ?

- ❑ 3 day interactive workshop to help young people develop entrepreneurial skills.
- ❑ **Networking:** Students, young entrepreneurs, young employees, working together with successful entrepreneurs to find out what skills have made them successful and how to develop them.
- ❑ **Marketplace:** present your skills or your business ideas to like-minded youngsters & companies.

### How do we work?

- ❑ You will not attend lectures; we are not professors.
- ❑ You will get direct coaching & first hand experience from experienced entrepreneurs.
- ❑ You will develop key life skill such as effective networking, project management, creative problem solving and team working...

### Price

Price for students: 80 eur (fees, lunches and coffees) thanks to our supporters!  
Others: please contact us

## Info & requirements

You don't need to have created your own business or even have a business idea yet.

- your background doesn't matter, but
- you do need to be between 18 and 30 years old, willing to get involved and to learn
- Limited to 30 participants per venue

## Marketplace

During one of the three days, you will participate to a Marketplace.

There, you will get the opportunity to present yourself, or your ideas, to other like-minded young people, as well as to companies & partners.

Develop your ideas, practice networking, find collaborators, find interesting partners...and maybe even find a an internship or a job!
