What is Ent-Ex ?

3-day interactive workshop to help young people develop **entrepreneurial skills.**

Networking: Students, young entrepreneurs and employees working together with successful entrepreneurs to find out what skills have made them successful and how to develop them.

How do we work?

You will not attend lectures, we are not professors.

You will get direct coaching & first-hand experience from experienced entrepreneurs.

You will develop key life skills such as effective networking, project management, creative problem solving and team working.
